Brand Intro

Cu Mr Bull is a trendy Korean fast food brand designed for the young generation, offering quick service, delicious nutrition, and a stylish dining experience.

Our signature Korean beef bone soup is simmered for 8 hours using a proprietary recipe, rich in collagen, calcium, and amino acids – nourishing the skin, strengthening bones, and boosting immunity. Paired with our exclusive Korean sauces, every dish delivers rich layers of flavor and authentic Korean taste.

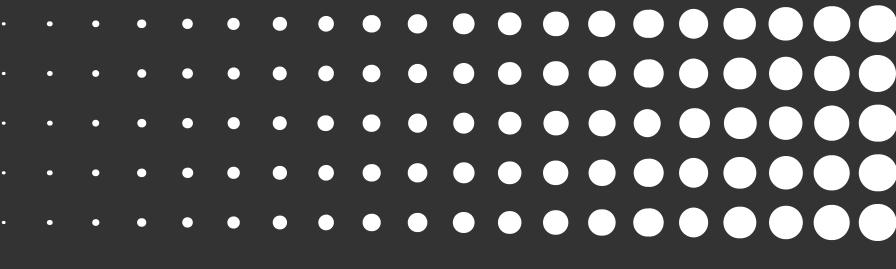

Cu Mr Bull is committed to partnering with local entrepreneurs to build a new force in Asian fast food with global ambitions.

Profit Forecast Summary

With strong headquarters support and active partner operations, Cu Mr Bull outlets demonstrate solid profit potential. Model projections show a daily footfall of around 93 customers is the breakeven point – any volume beyond this generates net profit.

At 120 daily customers, estimated annual net profit is around SGD 100,000.

At 150 customers, profit may reach SGD 210,000.

At 180 customers, it can exceed SGD 300,000.

The better the store performs, the higher the returns.

In addition to a fixed salary, partners also enjoy profit-sharing, offering strong earning potential.

VISION

TARGET: 100 STORES IN 6 YEARS ACROSS SINGAPORE AND KEY SOUTHEAST ASIAN CITIES – BUILDING A LEADING REGIONAL FAST FOOD BRAND.

HQ WILL KEEP REFINING PRODUCTS AND SUPPORT SYSTEMS TO EMPOWER PARTNERS. TOP PERFORMERS MAY ADVANCE TO REGIONAL MANAGER ROLES AND LEAD MARKET EXPANSION.

EVERY PARTNER IS A KEY FORCE IN CU MR BULL'S GROWTH – TOGETHER, WE'RE TAKING THE BRAND GLOBAL.
